

# WONDERS OF THE MARITIMES & SCENIC CAPE BRETON

## Vacation Overview

If you can't take the beat, get out of the kitchen! One of the highlights of a visit to the Canadian Maritimes is the Ceilidh (kay-lee), or kitchen party, a Gaelic celebration of music, dancing, and storytelling. In addition to this traditional maritime merriment, this tour of the Canadian Maritimes and Cape Breton has cooked up plenty of unique experiences in this picturesque part of the world. Get your camera ready for Canada's most photographed lighthouse in Peggy's Cove, your windbreaker zipped for the highest and widest tides at Hopewell Rocks, and your taste buds ready for a traditional fish cake breakfast, sugar camp lunch, and fresh lobster dinner. Throughout Nova Scotia, New Brunswick, Prince Edward Island, and Cape Breton, tiny fishing villages, giant whales, and the grandest of scenery will be calling your name, as will Cape Breton's historic Alexander Graham Bell Museum. Hello, coastal Canada!
