Set your sights higher than the Museum of Flight or the redwoods for lush green forests, cascading waterfalls, and ice-smothered volcanoes – just the opening scenes of this west side story. From Seattle to Portland and all the way to the Golden Gate of San Francisco, the dramatic views of both city and seaside astound on this nine-day Pacific Coast vacation. While Oregon’s fabled lighthouses cast their beams to reveal the wonder of the West, your Tour Director will shed light on what makes this side of the country so uniquely spectacular – from its waterfalls to its fresh catches of the day.
